SUMMARY

Final-year AIUB CSE student focused on Software Engineering and Full-Stack Development. Hands-on experience building secure web and desktop management systems using .NET, C#, Java, PHP, and SQL. Seeking an entry-level Software Engineer or Web Developer role.

EDUCATION

American International University-Bangladesh <i>Bachelor of Science (BSc) in Computer Science CGPA: 3.51/4.00</i>	Dhaka, Bangladesh <i>Expected December 2026</i>
Feni Government College <i>Higher Secondary Certificate (HSC) - Science GPA: 4.92/5.00</i>	Feni, Bangladesh <i>Graduated in 2021</i>

TECHNICAL SKILLS

Programming Languages: C++, Java, C#, PHP, JavaScript, Python, R, SQL
Full-Stack Development: HTML5, CSS3, PHP, JavaScript
Frameworks & Libraries: .NET, OpenGL (GLUT), Java GUI
Databases: MySQL, Oracle SQL
Tools: Git, GitHub, VS Code, Cisco Packet Tracer,
Core Concepts: Object-Oriented Programming (OOP), DBMS, Data Structures and Algorithms (DSA)

PROJECT EXPERIENCE

Research Assistant Portal, C# | .NET | Oracle SQL | CRUD Architecture

- Built a role-based portal for research job postings and applications.
- Implemented database connectivity and CRUD operations.

Link: Research Assistant Portal

Online Food Ordering Platform, PHP | MySQL | JavaScript | HTML5 | CSS3

- Developed a full-stack web for food tracking and management.
- Designed responsive UI and integrated backend database functionality.
- Implemented user dashboard and admin control.

Link: Online Food Ordering Platform

Book Store Management System, Java | Oracle SQL

- Designed and developed a desktop-based library automation system.
- Implemented item tracking, user management, and purchase modules.
- Applied Object-Oriented Programming (OOP) principles.

Link: Book Store Management System

3D Transportation Animation Project, C++ | OpenGL (GLUT)

- Developed a multi-scene 3D simulation of transit networks with moving vehicles, environmental assets, and dynamic day/night cycles.
- Integrated interactive keyboard and mouse controls for real-time camera switching, scene navigation, and animation handling.
